How does it cost you to save money?

Select the My Profile option to edit your personal profile settings, such as phone number, email, Category Types, Sales Territory, etc.

1st click the EDIT icon/link in the section(s) you wish to edit, then when you are finished making your changes, click the SAVE button at the bottom to record the change.

NOTE: Category Types & Sales Territory are used to match YOU to the listings you may be interested in. This is how ProRFx® knows whether or not to notify you of the listing via Email/SMS notifications

How does it cost you to save money?

Select the Company Profile option to edit your companies profile settings, such as contact information, Insurance information, EEO Qualifications, NAICS setting, and Category Types.

1st click the EDIT icon/link in the section(s) you wish to edit, then when you are finished making your changes, click the SAVE button at the bottom to record the change.

NOTE: Category Types are used to match YOUR COMPANY to the listings it may be interested in. This is how ProRFx® knows whether or not to send an email notification to the email address listed in Company Email.
