Sec. 122-647. - Open space; streetscape improvements.

Open space requirements for the central business (B-3) district are as follows:

- (1) The streetscape shall be improved in the public right-of-way adjoining any proposed development. For purposes of this subsection, proposed development means the construction of a new building on a vacant or previously used site requiring a site plan review. The city shall have the right to require the type, quantity and size of streetscape improvements during the site plan review process. The criteria for the improvements shall be based on the city's downtown landscape program. All landscape improvements throughout the CRA shall require a dripline irrigation system; and
- (2) For all new developments in the B-3 district, an area equal to five percent of the total lot size shall be devoted to an urban open space area; or
- (3) In lieu of subsections (1) and (2) of this section, all new developments in the B-3 district will be required to pay a fee to the city. The fee will be used throughout the CRA to create urban open space parks or areas and to upgrade the streetscape program along identified rights-of-way. The fee for each development will be based on one percent of the cost of the proposed development or a maximum of \$5,000.00, whichever is lower.

Sec. 122-648. - Parking requirements.

No off-street parking is required in the parking exempt zone in the central business (B-3) district. Off-street parking in the nonexempt areas shall be governed by article VI of this chapter.

Sec. 122-649. - Site plan.

Site plans shall be required for development in the B-3 district as per article IV of this chapter.
